

High Lonesome Dude Ranch

EXACTLY AS WILD AS YOU WANT.

Find your inner cowboy.

You'll ford streams, ride miles of mountain valleys and trails, and never cross a public road. A trip to The High Lonesome Dude Ranch will bond your family or group like never before. You'll also bond with your horse, which is hand-picked just for you and chosen to fit your riding ability and temperament. You will also have a new "ranch family" that includes other guests, your wranglers, and especially your horses.

It's a fun-filled time of activities, great food, and western adventure. We are a working cattle ranch and every day will entertain you.

If it's your first time in the saddle or your 50th year, you'll have a great time. First of all, you'll really get to know your horse so you two can learn to work together. You'll get to know your fellow dude ranchers so you can have company along the way or help each other on the trail. You'll see things from the height of a horse with all new eyes.

Our Dude Ranch weeks give you time to get to know your horse and form relationships.

Our Tenderfoot Experience is an abbreviated trip, and we offer a Ladies Week each year. With any choice, you'll bond with your group and make new friends.

Explore your western heritage.

Here are some of the activities you'll enjoy:

- Riding lessons
- Trail rides
- Western obstacle course
- Cattle drive
- Equestrian geocaching
- Team penning
- Roping
- Fly-fishing
- Sporting clays
- Wild horse viewing
- Picnics

Every day concludes with a social and dinner then a story or game around the fire pit.

These are great times to share your day's adventures. It's all about making memories that will last a lifetime for you and your group. Call or email us at info@TheHighLonesomeRanch.com or 970.283.9420 for details.
