BOONE AND CROCKETT CLUB
FOUNDATION
250 STATION DRIVE
MISSOULA, MT 59801

It has been nearly 125 years since Theodore Roosevelt formed a coalition of gentlemen hunters to establish the foundation for the world's greatest conservation system. Knowing that he could not accomplish this daunting task alone, he invited men of science, business, industry, politics, and public service to join him in forming the Boone and Crockett Club.

We still cannot do it without you. We need your help.

Please join us in celebrating this historic occasion – the 125th anniversary of the Boone and Crockett Club.

As a part of this celebration we are kicking off a campaign to raise funds for the Boone and Crockett Club Foundation Endowment.

With your gift of \$125,000 or more, you will be honored by being named a founding member of the Wilderness Warrior Society. You will be presented with your own numbered limited edition bronze

of Theodore Roosevelt on horseback as well as other custom gifts to recognize and honor you for your contribution. You will also be toasted at a special dinner during the 2012 Annual Meeting in New York to salute you for your generosity to the Boone and Crockett Club Foundation.

Please join us in this grand effort on such a significant occasion.

Take the pledge card included for your contribution. Sign and send it back to the Club now in the envelope provided so that you can be one of the first to become a founding member of the Wilderness Warrior Society.

Yours in Conservation,
